SIMPLE MAINE CRAB SALAD

Crab meat - 8 oz.
One Celery Stalk
Quarter of a Shallot
Mayo.
Juice from one lemon
Salt
Pepper
Love

That's it.

Find yourself some super fresh crab meat. Not in a tin.
8 ounces is just fine.
Flake into a medium sized bowl.
Finely dice celery stalk and shallot.
Add to crab meat.
Add pinch of coarse salt,
and a couple of turns on a pepper grinder...
Add juice from *half* a lemon.
Then add one small spoonful of mayonnaise and mix.
Taste,
adjust to liking - perhaps more lemon juice, salt or pepper?
Maybe it's just perfect...

Serve between two slices of soft bread with fresh lettuce leaves or on a bed of greens with crackers served on the side...or simply enjoy by the spoonful...

No matter what - just enjoy!
